

## PRESS RELEASE

# *South Jersey Publishing Company picks GIS to sell packaging and distribution equipment inventory*

**Atlantic City, New Jersey** *South Jersey Publishing Company*, formerly *Press of Atlantic City* and a recent newspaper acquisition by Warren Buffett's Berkshire Hathaway, contracted mailroom specialty company **GIS** to sell their entire mailroom inventory, including their complete Titan G60 25-Station Inserting System with Miracom Controls, 10 compensating stackers, 5 automatic strapping systems with a large quantity of strapping material, 6 bottom wrappers, jogging tables, shrink wrapping system, and a variety of miscellaneous packaging equipment.

"There are many great mailroom equipment values here at South Jersey Publishing Company, including the well maintained Titan G-60 high-speed inserting system, and all priced to sell very quickly", stated Randy Seidel, **GIS** president and CEO.

**GIS**, is a global provider of system integration processes for the newspaper and commercial printing industries dedicated to providing creative post-press solutions for improving manufacturing efficiencies, reducing costs and improving profitability. **GIS** also provides production facility consolidation and brokering services.
