

Belleville News-Democrat Taps GIS for Muller Martini Relocation and Reconditioning

Belleville, IL - When *Belleville News-Democrat*, a McLatchy Newspaper, needed additional capacity, it tapped **GIS** to relocate and recondition a Muller Martini 227 5-1 Inserting System from their sister newspaper. Don Bradley stated, “We chose GIS for its machinery relocation and inserting experience. The machine is producing our new customer requirements.” “This Inserting System perfectly fit the needs of the *Belleville News-Democrat* for its size variable format and we were very excited to work with them on this project.” said Randy Seidel.

GIS is a global provider of system integration processes for the newspaper and commercial printing industries dedicated to providing creative post-press solutions for improving manufacturing efficiencies, reducing costs and improving profitability. **GIS** also provides production facility consolidation and brokering services. For additional **GIS** information, please contact: Randy Seidel by calling 610-217-3019 or by emailing Randy@gis-now.com
