

## PRESS RELEASE

# Idaho Press-Tribune Taps GIS for GOSS 630 Expansion

Idaho Press-Tribune Production and Distribution Director Roger Stowell.

**Nampa, Idaho** – Idaho Press-Tribune (IPT), a Pioneer News Group property, recently consolidated mailroom packaging operations of the *Idaho Statesman*, a McClatchy property, and needed more capacity for their large weekend packages to increase production. "After reviewing the project with several vendors, we chose **GIS** for its knowledge of our requirements" said Roger Stowell. "**GIS** came on site and in 3 days had us into production with a secondary delivery system and we are now able to meet and exceed production deadlines" said Roger. "After evaluating the expectations of the Press-Tribune, it was straight forward solution for what was needed" said Randy Seidel.

**GIS** is a global provider of system integration processes for the newspaper and commercial printing industries dedicated to providing creative post-press solutions for improving manufacturing efficiencies, reducing costs and improving profitability. **GIS** also provides production facility consolidation and brokering services. For additional **GIS** information, please contact: Randy Seidel by calling 610-217-3019 or by emailing [Randy@gis-now.com](mailto:Randy@gis-now.com)
